1) PRIVILEGES AND RESPONSIBILITIES OF MCHS STUDENTS

- a) You are a citizen of Maquoketa Community High School. Membership in any organization carries with it certain rights and privileges, but there are corresponding duties and responsibilities which a good member recognizes. A high school student has the following rights and privileges:
 - (1) To attend classes and to receive instruction and help from the faculty.
 - (2) To participate in the different extracurricular activities.
 - (3) To use such school equipment and facilities as may be needed for class work or for recreation.
 - (4) To receive any of the recognitions and awards earned in the prescribed way.
- b) By accepting these rights and privileges, the student assumes the following duties and responsibilities:
 - (1) To do all assigned work to the best of his/her ability.
 - (2) To cooperate with the administration, faculty, and fellow students.
 - (3) To behave in such a way that he/she brings credit to himself/herself and to the school.
 - (4) To protect all school property and equipment.
 - (5) To contribute to his/her own self-development and to share his/her talents with the rest of the school.
 - (6) To be a friendly and a loyal member of the student body.
 - (7) To conduct himself/herself so that other students' rights to receive an education are not impaired.

2) RIGHTS OF STUDENTS

The ultimate objective of the Maquoketa Community School District is to help all students reach their fullest potential in academics, activities and citizenship. By working together we can establish and maintain a positive learning environment that will support the high ideals to which we all aspire. Acts which disrupt the operation of the school, classroom, or which are disruptive to other student activities, or any school activity will not be permitted. No student or group of students will be allowed to interfere with another individual's freedom to properly utilize school facilities and programs, or in any way impede educational or school-sponsored, supervised or sanctioned activities.

3) ATTENDANCE POLICIES - From Board Policy 501.3

- a) A parent, guardian, or legal custodian within the school district shall have the child attend school at the attendance center designated by the board. Students shall attend public school the number of days school is in session. It is the responsibility of the parent of a child to provide evidence of the child's mental and physical inability to attend school. Regular attendance by the students at school is essential for students to obtain the

maximum opportunities from the educational program. **It is the responsibility of the parent to notify the student's attendance center as soon as the parent knows the student will not be attending school on that day.** The school may request evidence or written verification of the student's reason for absence.

- b) Student absences approved by the administration shall be excused absences. Excused absences shall count as days in attendance for purposes of the truancy law. These absences include, but are not limited to: illness; appointments for: dental, vision, and health; family emergencies; recognized religious observances; and school-sponsored or approved activities. Students whose absences are approved shall make up the work missed and receive full credit for the missed work.
- c) Appointment Permit Form must be completed and returned for an appointment to be excused.
- d) To verify location and safety of students it is required that all students sign-in and sign-out in the high school office at the time of their arrival or departure. Failure to sign-in or sign-out may result in absence being unexcused.
- e) **IT IS THE STUDENTS RESPONSIBILITY TO SEE EACH TEACHER FOR MAKE-UP WORK. IF THE STUDENT RETURNS DURING THE DAY, HE/SHE MUST OBTAIN AN ADMIT SLIP IN THE OFFICE BEFORE GOING TO CLASS.**
- f) An absence is considered UNEXCUSED if:
 - i) The student's parent/guardian does not call the Office before or on the day of the student's absence. Or the student does not present a note upon his or her return.
 - ii) The student arrives after 30 minutes of the class.
 - iii) The student never arrives to the class.
- g) Infinite Campus will generate an automated phone call for a student with a documented unexcused absence.
- h) Unexcused absences will result in either a Saturday Detention or an In-School Suspension.
- i) A formal attendance report will be mailed to the guardian after a student reaches three (3) unexcused absences in any period during a given semester. Parents will then be asked to come to school and visit with administration/guidance regarding their child's attendance. The meeting will allow the guardian, student, and school to discuss a resolution to the attendance struggles that may be hindering the student's academic achievement. **Five unexcused absences in a class may result in the student being dropped from the class and not receiving credit.**
- j) Family vacations and church-sponsored trips will only be excused with: parental communication with high school office staff *prior to absence(s)* and student communication with course instructors *prior to absence(s)*. Documented by completion of Absence Excusal Form available in the office.
- k) Students with an unexcused absence(s) may not participate or practice the day of the absence.

4) TRUANCY

Students who have not reached age 16 by September 15th are subject to Truancy Laws for the entire school year.

- a) Truancy is the failure to attend school for the minimum number of days established in the school calendar without a reasonable excuse. The following are examples of absences not considered reasonable: tardiness, shopping, hunting, concerts, preparation or participation in parties and other non-school sponsored celebrations, employment, vacations not involving the entire family, and being "out of town."
- b) Truancy cannot be tolerated, and will result in detention or suspension, as well as a referral to the County Attorney for legal consequences. In addition, truancy can result in students having their driver licenses revoked in Iowa.

5) MCHS TARDY PROCEDURES

- a) Students are expected to be on time for all classes.
- b) A student is considered tardy to class when the student is not in his/her scheduled CLASSROOM before the tardy bell without a signed pass from the office or teacher.
- c) A student arriving more than 30 minutes after the start of class and without a pass will be considered absent-unexcused.
- d) A student arriving 5-30 minutes late will receive a tardy and a detention from their classroom teacher. The teacher will record the tardy on Infinite Campus.
- e) A student arriving less than five minutes late will receive a tardy. The teacher will record the tardy on Infinite Campus. Accumulating three tardies of less than five minutes for that class period will result in an after school detention.

6) HALL PASSES

- a) Students must have a pass to leave the room.
- b) Students in the hall without a pass may be assigned a detention by the classroom teacher.

7) APPOINTMENTS

Appointments during school hours are discouraged. If you must ask to be excused from school for a doctor’s appointment, please bring an Absence Excusal Form or a written request from your parents to the office. You will be given a permit to leave school in time to keep the appointment.

8) GUIDELINES FOR CONSEQUENCES IN MATTERS OF STUDENT DISCIPLINE

Mutual respect is the basis for all positive relationships. Establishing and maintaining a positive and disciplined environment allows all students an opportunity to reach their fullest potential. Whether during the regular school day, on a school bus or at an after school activity, MCSD has the same high expectations for all students and good conduct policies are in effect. The following table identifies possible consequences for students who violate school policies. **The goal of student discipline is to teach better decision-making and to maintain a positive learning environment for all students, staff and patrons of the District.** Nothing in this table prohibits school officials from exercising discretion and taking alternative action in dealing with specific matters related to school discipline.

- b) All school employees are responsible for monitoring dress code to ensure a positive learning environment.

16) CORRECTIVE DISCIPLINE (502.13)

- a) Corporal punishment may not be used to discipline students. However, at the thoughtful discretion of school personnel, Iowa Code specifies that reasonable physical force may be used upon a student with or without advance notice when the use of such force is deemed essential by a reasonable person for the purposes of self-defense or defense of others, to quell a disturbance or prevent an act that threatens physical harm to any person, to protect school district property, to obtain possession of a weapon or other dangerous objects, to remove a disruptive pupil from class or any area of school premises or from school-sponsored activities off school premises, or to protect a student from the self-infliction of harm, or for the protection of others located on the school district property.

17) EDUCATIONAL EQUITY POLICY (102)

- a) It is the policy of Maquoketa Community School District to provide equal educational opportunities and not to illegally discriminate on the basis of gender, race, color, national origin, religion, creed, marital status, sexual orientation, gender identity, socio-economic status or disability in its educational programs or activities. Affirmative steps will be taken to integrate students in attendance centers, programs, and classes on the basis of gender, race, color, national origin, religion, creed, marital status, sexual orientation, gender identity, socioeconomic status and disability.
- b) This agency shall provide program activities, a curriculum, and instructional resources which will reflect the racial and cultural diversity present in the United States and the variety of careers, roles, and life styles open to both men and women in our society. One of the objectives of the school's programs, curriculum, services, and teaching strategies is to reduce stereotyping and to eliminate bias on the basis of gender, race, color, national origin, religion, creed, marital status, sexual orientation, gender identity, socioeconomic status and disability. The curriculum, programs, and services shall foster respect and appreciation for the cultural diversity found in our country, and an awareness of the rights, duties, and responsibilities of each individual as a member of a pluralistic society.
- c) Inquiries or grievances related to this policy may be directed to: Maquoketa Community School District, 612 South Vermont, Maquoketa, Iowa 52060, (563) 652-4984 or Director of the Iowa Civil Rights Commission, 211 E. Maple, Des Moines, IA 50309, (515) 281-4121, or Director of the Regional VII Office of the Civil Rights, United States Department of Education, Kansas City, Missouri or Inquires may also be directed to Director, Iowa Department of Education, Grimes State Office Building, Des Moines, Iowa 50319.

18) CHILD ABUSE REPORTING (402.2)

- a) In compliance with state law and to provide protection to victims of child abuse, the board believes incidents of alleged child abuse should be reported to the proper authorities. Employees are encouraged, and licensed employees are required as mandatory reporters, to report alleged incidents of child abuse they become aware of within the scope of their professional duties. The definition of child abuse is defined as in the policy regulations available at the administrative office or the office of the attendance centers.
- b) When a mandatory reporter suspects a student is the victim of child abuse, the mandatory reporter will orally or in writing notify the Iowa Department of Human Services. If the mandatory reporter believes the child is in immediate danger, the local law enforcement agency will also be notified. Within forty-eight hours of the oral report, the mandatory reporter will file a written report with the Iowa Department of Human Services.
- c) If a school district employee or other member of the school district community believes a child has suffered abuse, which shall include sexual and physical abuse, by a school district employee in the course of their employment, it shall be reported to Mark Vervaecke (563-652-2451). The school principal shall be the designated investigator for child abuse complaints against school district employees. However, complaints regarding child abuse by school district employees may also be reported to the Superintendent, Chris Hoover (652-4984) who shall be the alternate designated investigator for such complaints.

19) SEARCH AND SEIZURE POLICY (502.8)

- a) School district property is held in public trust by the board. School district authorities may, without a search warrant, search students, or protected student areas based on a reasonable and articulable suspicion that a school district policy, rule, regulation or law has been violated. The search is in a manner reasonable in scope to maintain order and discipline in the schools, promote the educational environment, and protect the safety and welfare of students, employees and visitors to the school district facilities. The furnishing of a locker, desk or other facility or space owned by the school and provided as a courtesy to a student, even if the student

provides the lock for it, shall not create a protected student area and shall not give rise to an expectation of privacy with respect to the locker, desk, or other facility.

- b) School officials are authorized to assign and supervise student locker and other storage facilities. Only authorized materials and equipment for use by the student in completion of his/her school assignments and responsibilities shall be stored in said lockers and storage areas. School officials are subsequently authorized by the Maquoketa School Board of Education to take the necessary measures to insure that only authorized materials and equipment are hereby stored in said lockers and other student protected areas.
- c) School authorities may seize any illegal, unauthorized or contraband materials discovered in the search. Items of contraband may include, but are not limited to, nonprescription controlled substances, marijuana, cocaine, amphetamines, barbiturates, apparatus used for controlled substances, alcoholic beverages, tobacco, weapons, explosives, poisons and stolen property. Such items are not to be possessed by a student while they are on school district property or on property within the jurisdiction of the school district; while on school-owned and/or operated school or chartered buses; while attending or engaged in school activities; and while away from school grounds if misconduct will directly affect the good order, efficient management and welfare of the school district. Possession of such items will be grounds for disciplinary action including suspension or expulsion and may be reported to local law enforcement officials. The board believes that illegal, unauthorized or contraband materials may cause material and substantial disruption to the school environment or present a threat to the health and safety of students, employees, or visitors on the school district premises or property within the jurisdiction of the school district.

20) ILLEGAL ITEMS FOUND IN SCHOOL OR IN STUDENT'S POSSESSION

Students are prohibited from distributing, dispensing, manufacturing, possessing, using, and being under the influence of alcohol, drugs or look-a-like substances; and possessing or using tobacco, tobacco products or look-a-like substances. Weapons are not allowed on school ground or at school activities including hunting rifles even if unloaded and locked in cars with the exception of weapons in the control of law enforcement officials, or being used for educational purposes and approved by the principal. Students bringing firearms to school or possessing firearms at school will be expelled for not less than one year. Parents of students found in violation of this policy may be contacted, and the students may be reported to law enforcement officials.

21) LOCKERS

Student lockers are the property of the school district. Students shall use the lockers assigned to them by the school district for storing their school materials and personal belongings necessary for attendance at school. It shall be the responsibility of students to keep their assigned lockers locked, clean and undamaged. Do not share your locker or share your combination with other students.

22) LOCKER SEARCHES

To ensure students are properly maintaining their assigned lockers, administrators of the building may periodically inspect all or a random selection of lockers. Either students or another individual will be present during the inspection of lockers. Student lockers may also be searched, at any time and without advance notice, in compliance with board policy regulating search and seizure.

23) STUDENT DIRECTORY INFORMATION(506.2)

The student handbook or similar publication given to each student which contains general information about the school will contain the following statement which is published at least annually in a prominent place or in a newspaper of general circulation in the school district:

The following information may be released to the public in regard to any individual student of the school district as needed. Any student over the age of eighteen or parent not wanting this information released to the public must make objection in writing by September 1st to the principal. The objection needs to be renewed annually.

NAME, ADDRESS, TELEPHONE LISTING, DATE AND PLACE OF BIRTH, MAJOR FIELD OF STUDY, PARTICIPATION IN OFFICIALLY RECOGNIZED ACTIVITIES AND SPORTS, WEIGHT AND HEIGHT OF MEMBERS OF ATHLETIC TEAMS, DATES OF ATTENDANCE, DEGREES AND AWARDS RECEIVED, THE MOST RECENT PREVIOUS SCHOOL OR INSTITUTION ATTENDED BY THE STUDENT, PHOTOGRAPH AND LIKENESS AND OTHER SIMILAR INFORMATION.

24) STUDENT SENATE

Student Senate is a body of students elected by their classmates for the purpose of serving the interests of the student body. Student Senate acts as a liaison between students and administration and helps in planning activities of school-wide interest. Students interested in serving in these capacities are encouraged to participate in senate functions by running for class representatives.

25) EMERGENCY DRILLS

Fire and tornado drills are required periodically by law. The signal for such drills is the sounding of the fire buzzer or tornado siren, which is a pulsing sound. Directions for leaving the building or taking cover are posted in each room. The instructor will notify you as to the appropriate exit.

26) FOOD IN CLASSROOMS

- a) Every effort should be made to assure that foods served in the classrooms meet the nutritional guidelines of the school's wellness policy. Student and staff members should provide healthy food items.
- b) With teacher approval, water will be allowed in classrooms.

27) FUNDRAISING PROJECTS

- a) All fundraisers must be approved by administration.
- b) Fundraisers that include food items are not allowed during the school day.

28) HOMELESS FOR PARENTS AND STUDENTS

a) If your family lives in any of the following situations:

- a. In a shelter, motel, motor vehicle, or campground.
- b. On the street.
- c. In an abandoned building, trailer or other inadequate accommodations.
- d. Doubled up with friends or relatives because you cannot find or afford housing.

Then, your preschool-aged and school-aged children have certain rights or protections under the McKinney-Vento Homeless Education Assistance Act.

b) Your children have the right to:

- Go to school, no matter where you live or how long you have lived there. They must be given access to the same public education, including preschool education, provided to other children.
- Continue in the school they attended before you became homeless or the school they last attended, if that is your choice and is feasible. If a school sends your child to a school other than the one you request, the school must provide you with a written explanation and offer you the right to appeal the decision.
- Receive transportation to the school they attended before your family became homeless or the school they last attended, if you or a guardian requests such transportation.
- Attend a school and participate in school programs with children who are not homeless. Children cannot be separated from the regular school program because they are homeless.
- Enroll in school without giving a permanent address. Schools cannot require proof of residency that might prevent or delay school enrollment.
- Enroll and attend classes while the school arranges for the transfer of school and immunization records or any other documents required for enrollment.
- Enroll and attend classes in the school of your choice even while the school and you seek to resolve a dispute over enrolling your children.
- Receive the same special programs and services, if needed, as provided to all other children served in these programs.

c) When you move, you should do the following:

- Contact the school district's local liaison for homeless education (see phone number below) for help in enrolling your child in a new school or arranging for your child to continue in his or her former school. (Or, someone at a shelter, social services office, or the school can direct you to the person you need to contact.)
- Contact the school and provide any information you think will assist the teachers in helping your child adjust to new circumstances.

- Ask the local liaison for homeless education, the shelter provider, or a social worker for assistance with clothing and supplies, if needed.

- b) Any student, parent, or guardian not wanting this information released to the public must make objection in writing to the principal or other person in charge of the school which the student is attending. You must renew this objection at the beginning of each school year.

30) MULTICULTURAL AND GENDER FAIR EDUCATION (603.4)

- a) Students will have an equal opportunity for a quality public education without discrimination, regardless of their gender, race, color, age, national origin, religion, creed, marital status, sexual orientation, gender identity, socio-economic status and disability.
- b) The education program is free of discrimination and provides equal opportunity for the students. The education program will foster knowledge of and respect and appreciation for the historical and contemporary contributions of diverse cultural groups, as well as men and women, to society. Special emphasis is placed on Asian Americans, African Americans, Hispanic Americans, and persons with disabilities. If a student already has an electronic mail address, the student will not be permitted to use the address to send and receive mail at school.

The Internet can provide a vast collection of educational resources for students and employees. It is a global network which makes it impossible to control all available information. Because information appears, disappears and changes constantly, it is not possible to predict or control what students may locate. The school district makes no guarantees as to the accuracy of information received on the Internet. Although students will be under teacher supervision while on the network, it is not possible to constantly monitor individual students and what they are accessing on the network. Some students might encounter information that may not be of educational value. Student Internet records and access records are confidential records treated like other student records. Students Internet activities will be monitored by the school district to ensure students are not accessing inappropriate sites that have visual depictions that include obscenity, child pornography, or are harmful to minors. The school district will use technology protection measures to protect students from inappropriate access, including sites that include obscenity, child pornography or are harmful to minors.

The school district will monitor the online activities of students and will educate students about appropriate online behavior, including interacting on social networking sites and chat rooms. Students will also be educated on cyber-bullying, including awareness and response. Employees will provide age appropriate training for students who use the Internet. The training provided will be designed to promote the school district's commitment to:

- The standards and acceptable use of Internet services as set forth in the Internet Safety Policy;
- Student safety with regard to:

 - appropriate behavior while online, on social networking Web sites and in chat rooms; and
 - cyberbullying awareness and response
- Compliance with the E-rate requirements of the Children's Internet Protection Act.

Employees and students will be instructed on the appropriate use of the Internet. Parents will be required to sign a permission form to allow their students to access the Internet. Students will sign a form acknowledging they have read and understand the Internet Acceptable Use policy and regulations, that they will comply with the policy and regulations and understand the consequences for violation of the policy or regulations.

In compliance with federal law, this policy will be maintained at least five years beyond the termination of funding under the Children's Internet Protection Act (CIPA) or E-rate.

PLEASE READ THE FOLLOWING VERY CAREFULLY

Walt Whitman wrote, "Create good people, the rest follows." The primary reason Maquoketa High School sponsors extracurricular activities is to provide opportunities for students to express themselves in a variety of ways that will help them develop work ethic, cooperation, and good citizenship. We do not expect our students to win every game or place first in every competition, but we do expect our students to work hard, do their very best, and represent our school and community with dignity and pride. It is important that students understand that representing Maquoketa High School in activities is an earned privilege. For this reason, the high expectations for participation are delineated in this handbook. Remember, reaching your full potential, will require time, effort, and self-sacrifice on your part.

THE ACTIVITY CODE:

Maquoketa extra-curricular activities are conducted on a wholesome basis. Maquoketa students may not always come away number one, but they do participate with that purpose in view. The Board of Directors believe that sportsmanship, friendly relationships, and good fellowship grow out of activities between students of Maquoketa and their competitors. It takes many ingredients to make you and your fellow students a champion. To have a championship school you have to be a champion yourself.

Code for Activities

1. The following will be considered violations of our conduct code for participants in activities:
 - a. Usage or possession of tobacco, alcohol or other drugs (controlled substances); or abuse / deliberate misuse of over the counter drugs.
 - b. Engaging in any act that would be grounds for arrest or citation in the criminal or juvenile court system (excluding minor offenses such as traffic or hunting/fishing, violations), regardless of whether the student was cited, arrested, convicted, or adjudicated for the act(s); (i.e. Arson, vandalism, assault, battery, theft, criminal mischief, etc.)
 - c. Violations of regulations established by activity sponsors to develop and administer their specific programs.

All participants are required to begin and complete each season in "good standing" in order to fulfill all requirements to regain eligibility once participant has violated the code of activities or been declared academically ineligible. If a participant does not complete a season in "good standing" then participant will be ineligible for the next activity for which he or she participates.

Penalty-First Offense

- Suspension from squad/individual competition for 1/3 of the season (fall, winter, spring, summer), from the first date of competition, or extra-curricular activity (intra-squad scrimmages and team scrimmages are not considered competitions).

Penalty-Second Offense

- Required attendance at four (4) counseling, training, or abuse workshop. All costs will be considered a parental expense. School assistance locating programs will be made available upon request.

Penalty-Third Offense

- One year suspension from squad/individual competition, or the next extra-curricular activity, from the first date of competition, or extra-curricular activity.

Penalty- Fourth and Subsequent Offenses

- One year suspension from squad/individual competition, or the next extra-curricular activity, from the first date of competition, or extra-curricular activity.

Penalties (number of events suspended) will be based on the maximum number of regular season contests allowed by the appropriate state association (IGHSAU or IHSAA). If the activity is involved in post-season and athlete is still

suspended he/she will continue to serve suspension during post season play. If athlete can't complete his/her penalty prior to the end of the season, the portion remaining on the penalty will be carried over to the next sport which the individual participates.

Example: Student is suspended for first offense with one football game remaining, 1/3 of football would be 3 games, however, the athlete can not complete suspension so he would have 2/9 of the next season to serve, so if he played basketball he would be suspended for the next 5 games of basketball to complete suspension.

Multiple penalties will be served consecutively. Each penalty begins after the prior one has been served. If a student violates the policy while under suspension, the penalty will begin immediately after he/she would have become eligible. Academic and Good Conduct Penalties will be served consecutively (not at the same time).

1) Reduction of Penalty: If a student comes forward to a coach, administrator, or activity sponsor to admit (self-report) a violation of the Good Conduct Rule prior to a finding of guilt by the administration, the student's penalty may be reduced to 1/4 of the season for a first violation or reduced to 2/3 of a season for a second violation. **There is not a reduction allowed on the 3rd violation.**

Individual has 48 hours after the offense to self-report in order to receive this reduction

2) Duration: Penalties are for one year period from the date of the most recent infraction. If infraction recurs after this time, it will be considered a first offense.

3) Attendance: Penalty for missing practice or rehearsal is left up to each head coach.

4) Dress and Grooming: While representing the Maquoketa Community Schools, the participant is expected to maintain a well groomed appearance.
