Lunch and breakfast prices are listed below, along with extra entrée prices and extra milk prices. If you have any questions or comments about our program, please feel free to contact Matt Andresen, Food Service Director, at 563-652-4984 office or 563-564-0060 cell or m.andresen@lunchtimesolutions.com.

Extra Entrée – Extra Milk

At an extra cost, Entrees and milk can be purchased as part of the school lunch program. For example if a student wants a second entrée, or an additional entrée, like a slice of pizza, then that entrée can be selected in the lunch line and charged to the student’s account. Again, all students can have extra servings of canned fruit, fresh fruit, and vegetables at no charge. All extra servings of these items are free. If a student is free or reduced they may receive one entrée with their meal but they must have money in their account to purchase any extra entrees.

School Lunch Account

When an account balance is low, students receive a minimum of three reminders to bring lunch money. At this point, when an account reaches a negative \$10.00 all purchases will stop. If the student is a free or reduced student they still will be able to purchase a school lunch, but no extra entrées will be allowed.

A Point of Sale (POS) software system is used for the school lunch program. Please note the following important information:

- Each student will have his/her own individual Student Account.
- If sending cash with a student, place in a sealed envelope, along with the student’s name and lunch account number. Cash and checks should be taken to the school office.
- We are not responsible for lost, unidentified, or stolen cash. Deposits should be turned in by 9:00 a.m. at the student’s school.

Outside Food and Beverage

The District does not allow the delivery of food or beverages from outside vendors or fast food establishments for a student’s breakfast or lunch meal. All meals are to be provided by the District’s School Food Service or a prepared meal from home may be sent with your student.

Diet Modifications

Families are responsible for notifying the School Food Service if their child requires a diet modification because of a life threatening disability. A licensed physician must provide specific written medical documentation. Please contact Matt Andresen at the School Food Service office for more information.

Join us Anytime!

Please feel free to join your child for a meal any day. The cost for an adult breakfast is \$2.90 and an adult lunch is \$4.00. Please pay for your lunch at the school office. We hope to see you soon!
